#### Regenbogen-Lied

There are six colors,  
six colors, six colors,  
in a rainbow.

There are six colors,  
six colors, six colors,  
in a rainbow.

Red, orange, yellow, green and blue,  
don't forget there is purple too.

Red, orange, yellow, green and blue,  
don't forget there is purple too.

There are six colors,  
six colors, six colors,  
in a rainbow.

There are six colors,  
six colors, six colors,  
in a rainbow.

Rainbows are bright,  
rainbows are fun.  
Rainbows come out,  
with the sun.

When it will rains,  
that's ok.  
Means a rainbow  
comes

With the six colors,  
six colors, six colors,  
in a rainbow.
